

# 2011 ESY(Extended School Year services)/Summer Camp

## **SESSION I - Build! Construct! Create!**

Preschoolers + an unlimited supply of junk, recyclables, and found objects + imagination = endless possibilities (robots, dinosaurs, dragons, vehicles, machines, just to name a few)! Building with blocks, Legos, Omagles, K'nex, etc. too!

**June 14,15,16,28,29,30**

## **SESSION I - Our Town/Exploring Food**

We'll learn about and visit our library, post office, hardware store, fire/police stations, grocery store and Popcorn Shop, in addition to exploring..... ice cream, pizza, popcorn, and lemonade!

**July 12,13,14,19,20,21**

## **SESSION III - Hands On Nature**

By linking creativity and hands on experience, each child will develop an essential positive physical connection to nature through the use of all of his/her senses. We'll explore the magnificent outdoors together and all of the opportunities it provides for adventure!

**August 2,3,4,9,10,11**

All sessions are T, W, Th of each week from 9:00 am to 12 noon  
Snack, materials, and weekly field trips included

\*No fee for children who qualify for ESY services

\*\$200.00 per session for typically developing 2011-2012 peer models
